

THE *Big 3*

EPISODE: 210

TITLE: How to Be Confident in Your Calling

As Christians, we *hopefully* know our overall mission in life...Jesus gave it to us: Make disciples! But have you discovered your own calling in this... who, where, when, and how specifically you will live out the mission?

Here are three things to believe and consider about living out your calling with confidence:

1. **You are created in God's image and have been sent by Jesus to show the world what God is really like.** Within God's overarching desire to see the whole world filled with his glory, you have unique life experience, perspective, gifts and passions that He gave you for this eternal purpose.
2. **Though you may at times doubt your calling, never doubt God's perfect love for you.** Don't feel like God will not or cannot truly bless your life and the work of your hands until you perfectly discover your personal calling. You are his beloved daughter or son, and his desire to prosper and bless flows out of his great love and care for you! Now, right where you are, whatever you are doing...or not doing. Same loving Father!
3. **Delight yourself in the Lord, and he will give you the desires of your heart.** (Psalm 37:4) If you have a longing, passion and a Godly desire to give yourself to a particular cause, people group or service, don't fear moving in that direction in faith. God has probably given you that desire! Download the Big 3 for this week along with the worksheet from Laurie Beth Jones and get started on your journey of discovery today!
