TITLE: Everyday Discipleship + Our 3 Year Anniversary

Jesus lived the most amazing life of any human ever! This is the life he offers us all as we trust him and radically reorient our lives around him and the mission of making more disciples.

Here are three key things to believe and consider discipleship as a lifestyle...

- 1. God has always desired that his people-his family-would live together in such a way that the world would know what he is truly like! Living a life on mission with God is the life you were created for, and it's the most thrilling way to live! This starts by believing that you are part of God's family of missionary servants, and sent as a disciple of Jesus to make more disciples, filling the world with God's glory. Chasing after temporal riches that will never truly satisfy is a waste, and so far from what Jesus died to give us!
- 2. Your past experiences or complacency as a disciple and disciple-maker does not change God's love for you! He knows the plans he has for you, from before time began, and he desires to bless and prosper you–for your good and His glory. Ask God to forgive any past laziness or selfishness and to lead you to truly live the life he desires for you, your family and your church. All day. Every day.
- 3. **Don't stay stuck. Don't wait for "someday" to get started making the changes you want to see.** Get the resources, training, and coaching you need to confidently move forward, one step at a time, toward being and making disciples as a lifestyle. Make this the time that those you lead in your church, and your own family, start to experience the gospel in all of life and move toward having a vibrant, rich community together on mission! You don't have to... but you *get* to!
