

THE *Big 3*

EPISODE: 112

TITLE: It's Time to Reinvent the Church

Has the church substituted fun in the place of adventure? And the frontiers for the pew? Jesus' call to make disciples is to be held as our primary mission and reason to exist, gather, and plant churches. Here are three tips from Peyton to get you fired up...

1. **Discover your spiritual gifts by linking them to your passions.** When you utilize your gifts and experiences, evangelism flows naturally out of who you are—uniquely. You do you!
2. **Make 'church' interactive** and you'll never be far from new relationships, evangelism and discipleship. Discipleship and the Christian faith was never meant to take place for an hour or two each week and primarily in auditoriums and classrooms. Life on life is what you're looking for.
3. **Do something everyday that scares you!** It is far too easy to get into a rut in life. Especially in our spiritual lives. Try and do at least one thing that scares you every day, like... have that conversation, invite that person over for a meal, meet a need you've seen, pick up the tab!

Let the Spirit guide you to your next great adventure.

The frontier of the Kingdom is just next door, across the street, or it may be across the globe. You were created for this. The adventure awaits!

P.S. Take a friend.
