

# THE Big 3

EPISODE: 126

TITLE: How Money Affects Your Significance and Security

You can break free from our slavery and attachments to money by trusting and treasuring Jesus, who was willing to pay the ultimate price. His generosity and sacrifice guarantee our significance and security-forever!

Here are three key things to believe and consider:

1. **Know that all of your resources in life came *after* you were born.** They are tools given to us throughout life, in various ways by God, to show his love, grace and generosity in the world. Sure! We get to enjoy them too because God loves His kids and wants them to enjoy his blessings.
2. **Believe that God is looking for conduits of His grace.** Pass on God's abundant resources. Live as a conduit, not as a barrel storing up treasures for your own use and self-managed future. Trust God...there's more where that came from!
3. **Live a crazy generous life!** You won't be taking any of your financial or "stuff" resources with you when you die. Bounce your last check! You cannot out give God. You can trust his endless supply. *"You do not have because you do not ask..."*

You will be amazed and humbled at how forgiving your children will be when you go to them and seek forgiveness for past parenting bumbles.
