

EPISODE: 411

TITLE: **Connecting With God in Everyday Life**

Prayer is more than asking God for things. Prayer is bigger than saying the “right” specific words. Prayer is all the ways we communicate with God... and he is *a/ways* listening!

Here are three key things to believe and consider about prayer...

1. **Humans were never created to manage the knowledge of good and evil, right and wrong, for ourselves.** We were created to be in a trusting relationship with God where he guides our lives with his perfect love and wisdom. Prayer reconnects us to God in the ways he always intended us to live. What a privilege!
2. **Don't limit your prayers to a one-way conversation *towards* God.** Talk with him. In all the many ways we get to... adoration/praise, thanksgiving, praying the scriptures, petition, blessing prayers, intercession, meditation, and journaling. Any way that you choose to communicate with God is a good thing and constitutes prayer.
3. **Join Neil (and Jesus) daily in asking God to send out more workers into the harvest field.** Set an alarm to go off at 10:02 am/pm to remind you to pray Luke 10:02b. You'll be joining thousands of people all over the world that are eager to see God use them for mission, move others into the mission, and see God glorified in all things!
