TITLE: **Does Your Gospel Actually Sound Like Good News**

When we get the gospel right, *everything* else changes. Life together in community becomes possible—not out of obligation—but out of a gratefulness and confidence that the gospel alone can give. Speaking the truth in love is no longer a scary thing, sharing our faith doesn't have to weird us out; the gospel truly is transformational good news!

Here are three key things to believe and consider:

Head...heart...hands...

1. **Don't settle for a canned, small and limited gospel** that is primarily focused on your afterlife and getting to heaven. The gospel is AMAZING Good News for every aspect of life and relationships TODAY. The gospel is the answer to every question... You no longer need to experience fear over speaking the good news to others!
2. **Believe that you really can learn to see and speak and experience the gospel** in every area of your life and it will totally transform your personal relationship with God and others and will revolutionize your church, missional community or small group.
3. **Get started changing your church today!** Decide that now is the time you'll take the necessary steps to change the lives of your family and community forever. Take Caesar up on his amazing, but LIMITED offer to send you a FREE copy of *The Gospel Primer*.
